TECHNICAL SKILLS

Programming Languages :- JavaScript, ES6+, TypeScript.

Frontend Stack- Next.js, React.js, Redux-toolkit, Hooks, Memoization, Tailwind CSS, ShadCN.

Backend Stack - Express JS, Node JS, Git, MongoDB.

Real-Time Integrations - Socket.io, Razorpay Integration

Maps & GIS - OpenLayers, React Leaflet (Interactive Map Visualizations)

Version Control & Tools - Git, GitHub, VS Code

EXPERIENCE

Associate Full Stack Developer (Sept 2025 - Present)

Aaizel International Technologies Pvt Ltd, Gurgaon

- Implemented real-time data streaming using Socket.io, enabling instant alerts from IoT sensors across multiple dashboards.
- Integrated OpenLayers maps with dynamic path and route generation to visualize sensor alerts and track live activity.
- Built secure Role-Based Access Control (RBAC) modules and integrated Razorpay for seamless authenticated payments.
- Optimized application performance and scalability using Next.js, React.js, and Redux Toolkit.
- Refined UI/UX and responsiveness, ensuring a smooth and consistent user experience across devices.
- Maintained modular architecture and code quality through structured reviews and reusable component design.

Full Stack Developer Intern (April 2025 - Aug 2025)

Aaizel International Technologies Pvt Ltd, Gurgaon

- Developed a government analytics dashboard for monitoring and aggregating news data from multiple digital platforms.
- Built the entire frontend using Next.js with Server-Side Rendering (SSR) for enhanced performance and SEO.
- Integrated REST APIs for real-time data visualization and filtering of news content from various sources.
- Applied state management using Redux Toolkit for efficient data fetching, caching, and error handling.
- Collaborated with a GIS engineer to integrate interactive maps using React Leaflet, enabling geospatial data visualization and region-based insights within the dashboard.
- Supported backend modules with Node.js and Express.js for basic CRUD operations and API integration.

EDUCATION

B.Tech (Information Technology) - Lovely Professional University, Phagwara

(7.2 / 10)

12th Standard - Saransh International School, Taragarh, Punjab

CERTIFICATIONS

Jan '23 to Feb'23 React JS Bootcamp

Jun '22 to Aug '23 Data Structures and Algorithms Self Paced

Cipher Schools

GeeksForGeeks
